Social Work Employment Services

Created by social workers for social workers and exclusively for BASW members, Social Work Employment Services is the UK's only not-for-profit umbrella company.

Working solely with agency social workers, it provides PAYE, payroll and employment services to ensure they receive the best returns from their contract, whilst also complying with off-payroll legislation (IR35).

Set-up in direct response to BASW members' request for a trusted umbrella organisation, it is professional, ethical, and understands the complexities and challenges of the industry.

Bound by BASW's Code of Ethics, there is also a formal recognition agreement with the Social Workers Union (SWU) to ensure greater protection of agency workers' rights.

Retaining a not-for-profit ethos, all surplus is donated back to BASW to support and improve our membership services and recognition of the profession.
